Draft Environmental Impact Statement/Environmental Impact Report for the Joint Operations Center Relocation Project

The Bureau of Reclamation, California Department of Water Resources, and National Oceanic Atmospheric Administration's National Weather Service propose to relocate their joint operations center from the interim existing facility on El Camino Avenue in 2015. Please use this card to comment on the draft environmental impact statement/environmental impact report.

Comments must be received no later than **5:00 p.m. on November 7, 2011**:

***Disclaimer**: Before including your name, address, e-mail address or other personal identifying information, please be aware that your name and contact information will be added to the project mailing list and your personal identifying information may be made publicly available at any time. While you can request that your personal identifying information be withheld from public review, Reclamation and DWR cannot guarantee that this will be possible.*
